

Public Notice

Snelling Merced Falls

School District

Board Meeting

September 12, 2019

4:30 AM

School Library

The Governing Board shall hold a Public Hearing at which they shall encourage participation by parents, teachers, members of the community interested in the affairs of the school district, and bargaining unit leaders, and shall make a determination through a resolution as to whether each pupil in the school has sufficient textbook or instructional material, or both in each subject that are consistent with the content and cycles of the curriculum framework adopted by the state board.
