

September 3, 2020

Dear Parents/Guardians,

Per your decision to have your child remain home for first quarter and continue with Distant Learning, it is important that you understand that California EdCode states that your child attend virtual school every day for the minimum required minutes. TK-3 has a minimum of 180 minutes a day, and 4-8 has a minimum of 240 minutes of school each day. We respect your decision, but encourage your child to attend class every day and interact with their teacher and peers. Please continue to communicate with your child's teacher, utilizing the Remind app that was put out.

The school will be in touch prior to the 2nd quarter to survey parents again on whether or not your child will return to campus.

Thank you,

A handwritten signature in cursive script that reads "Alison Kahl".
